<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1

The offender has violated the special supervision condition which states
'ALCOHOL/DRUG TESTING AND TREATMENT

You shall refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and the use of alcohol, and shall submit to urinalysis or other forms of testing to ensure compliance. It is further ordered that you shall submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. You shall abide by the rules of any program and shall remain in treatment until satisfactorily discharged by the Court. You shall alert all medical professionals of any prior substance abuse history, including any prior history of prescription drug abuse. The Probation Officer shall supervise your compliance with this condition.'

On June 15, 2012, the undersigned officer met with the offender at his residence in Jersey City, New Jersey. During the home visit, the undersigned officer requested that the offender provide a urine sample for instant detection of illicit drug use, which he respectfully refused. The offender immediately admitted he had smoked marijuana on June 12, 2012, and requested that the undersigned officer not take a urine sample as he was embarrassed to have his grandmother, with whom he resides and who was present at the time of contact, find out of the results. The offender executed a Drug Admission Form, dated June 15, 2012, admitting to his use of marijuana on June 12, 2012.
